Bangalore, 28th June 1910.

From,

N. A. Rajaratna Mudaliar Esqr.,
Registrar, Chief Court of Mysore.

To,

C. S. Balasundaram Iyer Esqr.,
Offg. Secretary to Government.
Genl. and Rev. Departments.

Sir,

I am directed by the Judges of the Chief Court to submit the accompanying Rule of Practice for the Sanction of the Government and for publication in the official Gazette.

2. At present there are no registers from which the figures required for the quarterly and annual returns can be procured. In some courts unauthorized registers are maintained; in

other

other Courts the figures are compiled after an examination of each individual record. In all cases there is great delay and it is feared that every return is full of inaccuracies.

3. The Registers and the quarterly returns (the former of which seem to have been prescribed as far back as 1878) have been revised and a Rule of Practice will be submitted for Sanction as soon as certain minor details have been settled. The quarterly returns will be made to correspond more closely with the annual returns and the figures for both sets of returns will be obtained by totalling the various columns of the registers now prescribed.

4. A form of Statistical register to

furnish

furnish the figures required for annual Statement no: 12 will be submitted for Sanction as soon as the new Insolvency Regulation comes into force.

5. It is asked that early Sanction may be accorded to the Rule of Practice now submitted.

I have the honor to be,

Sir,

Your most obedient Servant,

Registrar.

D.w/1/

In the Chief Court of Mysore at Bangalore.

Civil Side.

Rule of Practice no: of

In order to facilitate the preparation of the quarterly and annual returns the following statistical registers have been prescribed

Register of regular suits disposed of.
Register of Small cause suits disposed of.
Register of miscellaneous cases disposed of.
Register of regular appeals disposed of.
Register of miscellaneous appeals disposed of.
Register of execution applications disposed of.

2. These registers will be maintained by one of the clerks known as Statistic writer. When the records for any month have been arranged they will be made over together with the disposal lists to the Statistic writer who, after making suit entries in the appropriate columns of his registers will pass on the records

and

and lists to the Record Keeper. The totals of the various columns will furnish the figures for the quarterly and annual Statements which are now under revision.

3. Appeals from orders having the force of a decree .eg. orders rejecting plaints or determining any question referred to in Section 244 but not specified in Section 588 of the Civil Procedure Code should be classed as regular not as miscellaneous appeals.

4. The forms of the registers now prescribed are appended hereto:—
